

Henley-Putnam University offers a unique focus for U.S. military service members who want to pursue a career in Strategic Security.

Our military-friendly policies help service members at home and overseas to meet their educational and career goals.

Our advisors help you understand your military benefits and how to put them to work, for your own education or your spouse's.

"My intention was to get a degree, but I ended up with professional relationships, resources, and an education far beyond what I expected. This experience has opened doors I never knew existed."

TOP TWO REASONS TO CHOOSE HENLEY-PUTNAM

1. FOCUS

Henley-Putnam University specializes exclusively in Strategic Security. Our unique focus is on teaching how to identify threats to national security, and to proactively prevent attacks, not merely react to them—furthering knowledge in deterrence and prevention.

2. FACULTY

Henley-Putnam University faculty members have served in senior positions in the CIA, USSS, FBI, DIA, NSA, and British Intelligence, as well as all branches of the U.S. Armed Services, including U.S. Navy Seals and U.S. Army Delta Force. Our expert faculty includes more than 80 seasoned professionals, each with an average of 17 years of operational experience.

Over one-third of our instructors are published in their field of expertise and more than 80% hold advanced degrees, many from world-renowned schools such as Cambridge, Berkeley, Stanford, Georgetown, and Yale.

This experience makes our faculty members uniquely equipped to share practical field expertise with Henley-Putnam students.
